 - Cupboard for each student in “Group-Room”
 - Two students share one lock (to buy)

University Study

- The University Provides Frames and Facilities for Your Education (“Hjælp til Selv-Hjælp”)
 - Study plans and Guides
 - Lectures and Labs
 - Project/Group Supervision
- You provide Your Study, Your Responsibility
 - Engagement, Abilities
 - Hard Work, Team Work
- Result: Competent Bachelors and Master

Pioneers?

- This is your first day at the University
 - High tension, high expectations
- This is our first day of “IMI”
 - High tension, high expectations
- It takes time to “settle”
- We are working hard to get “all in place”
- Let us “bear” with each other
- Let us help each other
- It is going to all-right very soon!
